EDUCATION

Bachelor of Science: ISAT (Integrated Science & Technology) Graduation: May 2026
James Madison University, Harrisonburg, VA
Concentration: **Applied Computing** **GPA: 3.58**

SKILLS

Programming: Python, SQL, R, Pandas, NumPy

AI & ML: OpenAI API, LangGraph, RAG, TensorFlow/Keras, Scikit-learn

Software & Data: PostgreSQL, ETL, REST APIs, Flask, Streamlit, Docker, Git, AWS EC2, Linux

EXPERIENCE

Advocara Reston, VA
Software Development Intern June 2025 - September 2025

- Built a prompt-tuned multimodal LLM pipeline that improved medical bill parsing by reconciling OCR, vision-language model outputs, and source documents
- Developed a Python smoke test framework achieving 70% code coverage while reducing runtime, API calls, and testing costs

Advocara Reston, VA
Administrative Technology Assistant June 2024 - August 2024

- Configured GitHub repositories and organized project structures to streamline collaboration and version control for a small non-profit development team

Visions Clothing Remote, Online
Founder March 2020 - March 2022

- Founded an online clothing brand, generating \$1,500+ across 36 sales through product design, manufacturing, and digital marketing

PROJECTS

- **Senior Capstone: ISAT Recruiter:** Engineered an agentic RAG application that transformed fragmented academic resources into a conversational AI assistant by integrating web content, PDFs, and ABET documentation through LangGraph, PostgreSQL, and OpenAI APIs
- **Cloud Database Web Application:** Developed and deployed a cloud-hosted Flask database application on AWS EC2 using Python, SQLite, HTML, and CSS
- **Speech Emotion Recognition ML Model:** Trained a Scikit-learn MLP classifier using audio features to classify emotions from the RAVDESS dataset with 67% accuracy
- **CIFAR-10 Image Classifier:** Built a TensorFlow/Keras CNN for image classification, tuning dropout and convolution layers to reach 69.7% test accuracy

EXTRACURRICULARS AND INTERESTS

Madison Consulting Club Harrisonburg, VA
Project Manager / Analyst September 2025 - May 2026

- Led a three-member team to develop a Streamlit database that centralized sponsor records and streamlined sponsor outreach through database-driven personalized outreach templates
- Led a five-member consulting team to develop marketing recommendations for a business

Alpha Omega Epsilon - Women in STEM Professional Sorority Harrisonburg, VA
Member, Merchandise Chair February 2025 - May 2026

- Organized a professional speaker event for 50+ attendees, coordinating outreach, logistics, and speaker preparation
- Led a 20+ member committee to deliver merchandise for 100+ members, managing timelines, communication, and coordination
